Office of the Commander

Dear Service Member:

We would like to personally welcome you to United States Army Materiel Support Command-Korea (MSC-K)!

MSC-K is comprised of a brigade headquarters, industrial based directorates, and three battalions. The brigade and subordinate battalions provide supply, maintenance, ammunition, transportation, and Korean Service Corps support for Eighth Army, 19<sup>th</sup> Expeditionary Sustainment Command and other units operating in Korea during armistice. We work together so that the U.S. Soldiers, Korean Augmentees to the United States Army (KATUSAs), Department of the Army Civilians (DACs), Korean Nationals (KNs), and Korean Service Corps (KSCs) personnel assigned in support of the South Korean government are always ready.

Within Korea, there are many interesting historical sites, museums, festivals, and customs for you to experience during your assignment. If this is your first visit to Korea, we encourage you to take part in the rich and colorful cultural opportunities made available to you. If you have served here before, then we welcome you back for another tour.

You are tentatively assigned to the Brigade Headquarters located on Camp Carroll. You can contact 1LT Cornesha Robinson, the BDE S1 OIC, at DSN 315-763-2044 or [cornesha.l.robinson.mil@mail.mil](mailto:cornesha.l.robinson.mil@mail.mil) or SFC Siatuu Quarterman, the BDE S1 NCOIC, at DSN 315-765-7320 or [siatuu.quarterman.mil@mail.mil](mailto:siatuu.quarterman.mil@mail.mil) if you have any questions about your assignment. They can provide information on what to expect upon your arrival to Korea.

Again, welcome to a challenging and rewarding tour of duty with the MSC-K. We look forward to meeting and working with you in the near future.

**"One Team!"**

Sincerely,
